Dr Sirs. Enclosed find Postal Note for $2.00 for copy of Gold. Silver & Copper coins of Eng. Kenrick's London. 1849. we desire this sent by mail and if you will hold copy and advise us of amt of postage required we will send to you to forward copy. or if you conclude to forward by mail at once we will upon receipt of copy forward amount paid for postage.

We would like to obtain the Gold coins. $7.00 Silver coins $12.00 Copper Coin. $3.00 but do not feel justified at this time in sending the money owing to the dullness of trade. but if you would agree to hold them for us. and we to send you the amt due on them in installments of say two dollars per week until paid for. and then to forward them to us we could purchase them what say you to this plan. we have purchased some rare numismatic works from other parties in this way.
